## **RESPONSE**

Sir:

In response to the Office Action mailed October 18, 2007, the applicant notes that the application contained claims 1-11, however the Office Action only contained a rejection of claims 1-6 and 9-10. As a complete determination on patentability of all the claims was not received, the applicant respectfully requests that a new office action be issued so as to advise the applicant on the patentability of all of claims 1-11.

Respectfully submitted,
